

FRANK ERB

Pastor to the California State Capitol™

Frank Erb is *Pastor to the California State Capitol* in Sacramento. He has served in this way full-time since 2008, providing personal outreach, individual discipleship, weekly small-group expository Bible-teaching, pastoral counseling, and Biblical guidance for California's government leaders, enabling them to know and follow Jesus Christ and increasingly become all God has made them to be in their lives and work. This work reaches U.S. Congress Members, California State Senators, State Assembly Members, Statewide Leaders, Constitutional Officers, Department Heads, Legislative Staff, Lobbyists, Sergeants-at-Arms, State Employees, and others. The California State Capitol may rightly be described as the political and social policy center for the most populous and most influential state in the most powerful nation on earth, which makes this is a strategic work with a unique impact locally, nationally, and globally. Beyond the Capitol, Frank also enjoys speaking and teaching God's word for churches and other groups.

Frank reaches out to everyone at the Capitol, regardless of their party, politics, or perspective, knowing that what every person needs most is the inner transformation and spiritual maturity that can only come through the Good News of Jesus Christ and the Word of God. When a government official's heart and mind is changed, God is glorified, they and their family are blessed, and God's word can guide them in making better decisions and laws.

Frank serves in this way as the Founder and President of a 501c3 nonprofit ministry called *Illuminate California™*, and also as the California State Minister for *Capitol Commission®*, a separate national ministry organization connecting pastors serving in state capitols across the United States.
